Des Moines Union Pacific This is Sold but fun to look at....

1914 Prairie Rose

The Open End Observation Car

The Darling of Train Rail Public Relations and Politicking Tours

Prairie Rose sold, but fun to look at...

**Horse drawn belly dump buckboard
Used by road crews in the late 1800's or early 1900's
Mint condition**

**White Cedar Logs Stained Red
Just the logs**

This 1950s White Cedar Log Building sustained intense damage to its roof and cannot be repaired
It is going to be dismantled

The color in the photos appears to be salmon red but is actually Xmas Red
These logs could make a funky little interior or exterior structure or an interior wall...

Phone Booth

Another Phone Booth

Phone is ready for hook-up still works, cabinet made of 1/4 sawn oak with leaded glass

Shoeshine Cart

Shoeshine Cart

What Outrageous, Quirky or Classic items do you want us to source for you?

**For Retail Spaces, be sure to check out the Outbuilding Categories:
Small Buildings to Place inside a Larger Building**

To see lots of small buildings that might look good *as an interior space* in a retail shop....or a great pantry, bath, hobby area or powder room in a home, be sure to look at the **Catalog Icon** called: **Outbuildings, Small Log Buildings and Small Barns 13' – 18' wide**. Someone *please* take a very small building and make it into a powder room, interior garden tool shed or workshop, retail fitting room or display area, a retail checkout area or a kitchen pantry or a restaurant dining area, *anything..* Can't wait to see you go into creative action!
